DCBC Chief named foundation chair of Florida Coalition for Children

Port St. Lucie – Devereux Community Based Care Chief Executive Officer Carol Deloach was named Board chair for the 2018 Florida Coalition for Children Foundation Tuesday, during a reception for child-welfare professionals who had gathered in Tallahassee this week to advocate on behalf of children in the state's foster-care system.

The new post gives Ms. Deloach, who is already on the coalition Board - a bigger voice in Foundation activities. Those activities include education and outreach for the coalition, which leads advocacy efforts on behalf of Florida's 19 Community Based Care Lead Agencies and child-welfare providers throughout the state.

"Partnership at every level is critical to our success as a system," said Ms. Deloach, whose team-leadership style of management has resulted in Devereux CBC being represented on work groups, councils and committees both locally and in Tallahassee.

Carol Deloach receives an award of recognition from Florida Coalition for Children Executive Director Kurt Kelly.
