Case management staff recognized for excellence in supervision

Fort Pierce - Desirae Thomas recently was recognized statewide as a Devereux Florida 2015 Supervisory Excellence Award recipient.

Devereux CBC and Devereux Florida are part of the Devereux Foundation, one of the nation's oldest providers of behavioral healthcare and, in Florida, child welfare services.

Thomas, a Devereux Community Based Care employee, is a case management supervisor in St. Lucie County.

According to Devereux Florida and Thomas' nomination application:

"Thomas is very helpful, informative, easily approachable and always reachable. She makes sure everyone in her unit stays on task by helping them remember deadlines, helping out when there is a lot of work and providing assistance whenever possible.

"Thomas encourages her staff when they have done a good job and keeps them positive when dealing with challenging situations. She gives recognition and praise when appropriate and provides constructive criticism.

"Every supervisory meeting with Thomas can be seen as a learning experience."
