Devereux CBC opens Diaper Pantry

Port St. Lucie –

The Devereux CBC Diaper Pantry is now open and ready to take orders from the Indian River, Martin, Okeechobee and St. Lucie County Service Centers.

The pantry was made possible by the Treasure Coast Food Bank and is available only for Devereux CBC families. All orders must be made from a designated representative from each service center.

If you are a case manager in need of diapers, please talk to your local supervisor about how to make these diapers available to your office. If you are a local provider who would like to open your own pantry, please contact the Treasure Coast Food Bank to become a community partner.
