Local bank joins child abuse prevention efforts

Port St. Lucie - Florida Community Bank employees and customers raised more than \$1,100 for local foster children and presented the donation to Devereux Community Based Care during its Board of Directors meeting April 25.

The contribution is part of the bank's FCB Cares program, which was established in 2015 to provide employees and customers with the opportunity to make contributions to support local foster care organizations.

Other FCB activities during National Child Abuse Prevention Month include a sneaker drive and educational opportunities to learn more about foster care.
