### Caregiver Spotlight: "Gooch to Go"

This week's spotlight is on Amanda and Daniel Gooch, foster parents in St. Lucie County. If you are interested in becoming a foster parent, please call our foster-parent training and licensing provider, Camelot Community Care, at (772) 403-8176 X 1145.

**What is the most inspiring part of being a caregiver?** *It's having children in our home who develop a new-found value and purpose that they never thought was possible and teaching them that they are smart, talented and capable of success. It is especially inspiring to help them dream of the future and then help them fulfill those hopes and dreams.*

**What is your favorite part of being a caregiver?** *Our favorite part, besides helping children reunite with their families, is being able to expose them to a variety of experiences. Those experiences help make their time away from family as painless as possible. We enjoy family trips and extracurricular activities that help to create a more well-rounded individual.*

**If you could go anywhere in the world, where would you go?** *We would like to see the Seven Wonders of the World. What a fun experience; we would never forget it!*
