### Good For You: Supervisor gets excellence award

**Fort Pierce** - Devereux Community Based Care congratulates St. Lucie County Case Manager Supervisor Linda Beland, who was recognized recently as one of 16 national Supervisors of Excellence in the Devereux Foundation network.

The Supervisory Excellence Award is given each year by Devereux Foundation to honor supervisors throughout the country who demonstrate a commitment to core values, instill pride and foster personal and professional growth in the field of human services.

One supervisor is recognized from each of the centers that make up the national Devereux Foundation. Centers include those in Arizona, California, Colorado, Connecticut, Florida, Georgia, Massachusetts, New Jersey, New York, Pennsylvania and Texas.

Beland was nominated for the award by her staff, who describe her as a leader, not a boss.

A case manager supervisor for more than 13 years, Beland is credited with inspiring her staff to strive for excellence when serving children and families who come into care due to abuse or neglect.

"Over the years, Linda has set up excellent out-of-county services for all requests made for children placed at Devereux Community Based Care and has established strong working relationships with counties across the state of Florida," said Lorrene Egan, St. Lucie County Director for Devereux Community Based Care.
