### St. Lucie County organization celebrates newest supervisor

**Fort Pierce** - Devereux Community Based Care congratulates Verrenthia Joseph for her recent promotion to dependency case management supervisor in St. Lucie County.

Joseph, a graduate from Sebastian River High School and Bethune Cookman University, served locally as a case manager for four years.

"I enjoy being a case manager because of the diversity, the love, the empowerment that this job brings," Joseph said. "I also like being able to see the behavioral change that families make and knowing that I was part of that."
