Policy The policy of Communities Connected for Kids (CCKids) is consistent with that of the Department of Children and Families Operating Procedure, 175-65. Under no circumstances will any employee or subcontract agency of Devereux Community Based Care of Okeechobee and the Treasure Coast seek a Do Not Resuscitate (DNR) order.

Procedure

1. Communities Connected for Kids and its Case Management Organizations (CMO) will not seek a Do Not Resuscitate (DNR) order.
2. In the event a parent or Guardian ad Litem (GAL) wishes to seek a DNR order, the assigned Dependency Case Manager (DCM) will inform the parent or GAL to seek legal counsel, unless a Termination of Parental Rights (TPR) order has been entered. The DCM will document this request and instruction in the file chronological and FSFN.
3. If a DNR order is approved, a copy of the finalized DNR Order will be sent to CCKids, after which the recipient will notify other members of the management team, and the CCKids Chief Executive Officer.
4. The DCM will be notified and as well as the appropriate medical practitioner by the recipient of the finalized DNR Order.
5. The DNR will become a part of the case file.
