

# Communities Connected for Kids – Intranet Login

Go to the CCKids website (cckids.net) and click on the Login option:

Click on the link on that page – a new window will open:

## Communities Connected for Kids - Online Systems & Resources Login

Welcome to the Communities Connected for Kids (CCKids) intranet portal. Our network of systems is available for internal (CBC) staff, Department of Children & Families protective investigations staff, and the providers who partner with our families to provide valuable services. All staff will now (as of 8/31/2019) login via the link above to access our systems, tools and resources.

1. Enter your CCKids email address and your current password. **\*\*NOTE: if you are prompted to have your computer remember your login credentials, say NO – saving passwords is not secure, and will also cause issues when you have to change your password.\*\***
2. If you are logging in for the first time, or if your password has expired, you will need to use the Forgot your password link to have the system send you an email with a reset link.
3. If your account is locked, or you are having other issues, use the login issues link to send an email to the CCKids Security Officer.
